MEMORANDUM FOR: 25X1
                   Intelligence Community Staff

FROM: 25X1
                   Chief, Information Systems Security Division
                   Office of Security

SUBJECT: Requirements for Data Labeling   25X1

REFERENCE: <u>Technical Report on Internal Sensitivity
                   Labels for the Data Labeling Model Program</u>,
                   Draft, SECRET, dtd 24 Dec 1986

    1.   This memorandum is to document that no comments were
received from you in response to our request for you to review
the referenced report.   Therefore, we assume that the data
labeling requirements for the Intelligence Community were
adequately covered in the draft.   25X1

    2.   The functional design will now be developed based on
those requirements.   Any questions you have concerning the
contract may be directed to

                                                                               25X1

                                                                               25X1
